

Our students are highly sought after by the software industry and many of our post graduate students are holding good positions in IT industry all over the globe. Graduates from this department get admission in different NIT's and Jadavpur University and Calcutta University by scoring excellently in NIMCET and JECA examination in regular manner. In our department the students have fared commendably in various national as well as international level competitions like GATE, CAT and GRE and so on.

Prominent Alumni of the department
